*The code after the FED and NJ withholdings determines the rate at which taxes are withheld.

M= Married, S= Single.

The number= # allowances you claim.

FRINGE- Appears in the EARNINGS column of the paychecks. This is not actually an earning, or a deduction. It is a taxable portion of your life insurance. The calculation is determined by your age and your salary. The number that appears for FRINGE is the amount you are taxed on.
